Black&more

La collezione Black & More è caratterizzata dall'utilizzo della pregiata essenza cedro del libano nelle finiture lucido e opaco spazzolato, da colori che danno origine ad una creazione armonica lungo una linea espressiva composta da linee essenziali che incontrano, nei dettagli in cromo nero, slanciate basi in metallo. Armonie di colori intensi e profondi nei rivestimenti in pelle o tessuto.

Black&More collection is characterized by the precious cedar veneer in hg or matt vintage.

Black and Grey finishes heighten the style of this collection made by essential lines, harmonious shapes and slim metal bases.

Newintown

Stile moderno e sobrio per un ambiente notte caratterizzato da linee geometriche orizzontali e oblique, dove i colori, le texture delle essenze lignee ed i piani di appoggio in vetro sono espresse da soluzioni formali semplici e pulite, dove tutte le aperture sono generate dall'assenza di maniglie grazie a particolari profili.

New in Town collection introduces a modern and plain style for the sleeping area, showing a simple and clean design enhanced by different wooden texture, glass tops and metal profile used as handles.
