

Embrasse

Design by Jorge Pensi

The back of the Embrasse office chair is available in three different heights, and its quilted leather or fabric upholstery embodies the best of craftsmanship. The 4-star polished aluminum base with protective tips, or 5-star polished aluminum base, or casters bring to mind an elegant and refined office settings. Ergonomics is ensured by the self-fit adjustment mechanisms.

TECHNICAL FEATURES

OFFICE SEAT

Structure of backrest and armrests

The frame of the backrest and the armrests is in 12 mm thick curved multilayered poplar wood. It is upholstered with a leather or fabric layer coupled with rubber to make it softer to the touch.

Seat structure

The structural shell is made of 15 mm thick multilayer poplar wood. On the bearing panel, there are metal brackets for backrest and armrests assembly. The padding is in cold-mold foam.

Upholstery

Fabric cat. B-F-G-L, leather, extra leather.

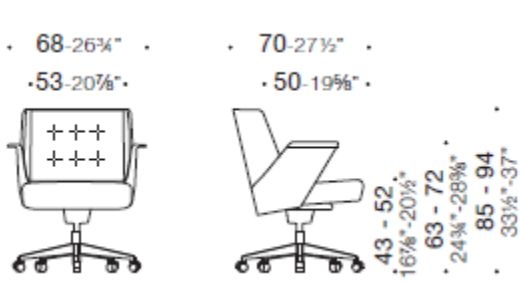

Base

Star base, in polished aluminum, with self-braking swivel castors.

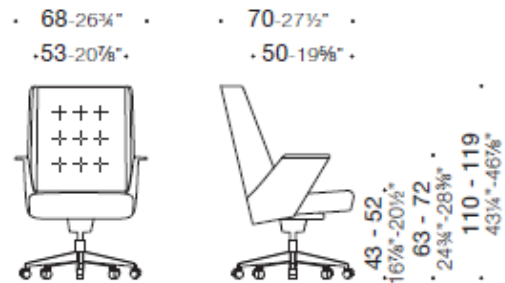

Mechanisms

- Harmonic mechanism, with rocking movement to increase the comfort.
- Syncro autofit mechanism, this solution automatically adjusts the intensity of the backrest spring return, according to the user weight.

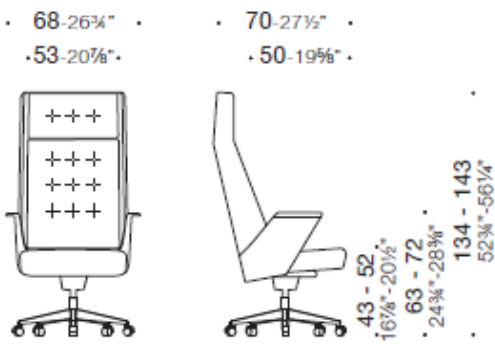

DIMENSIONS
