

ARCOS

arper

Arcos

A classical form, repeated. The Arcos collection is a restrained interpretation of Art Deco's geometric glamor – without the ornamentation. Though lightweight and quiet, Arcos maintains a graphic presence due to its signature cast aluminum armrests that form twin curves evoking the elegant rhythm of archways in the corridors and walkways of classical architecture.

Arcos is available in four different versions: chair, armchair, and two or three seat sofa. All versions have sled base and polished or coated aluminum integrated armrests. The shell can be upholstered in a wide range of finishes, with armrests coated in the same color. The Arcos collection, thanks to its various seating solutions, is ideal in lounge areas and in both residential and contract spaces. Perfect to create ever-changing and personalised areas, given you can match items either identical or different one from the other.
