For many years the term "Reproductions" was kept in our name. Born as a company specialized in the reproduction of chairs and classic seating in general we have slowly grown to become a point of reference in the world of reproduction furniture. Over time we have evolved from reproducing to reinterpreting: the products are designed accordingly to the latest trends slowly moving away from the classic criteria.

Sevensedie is the genesis of a personal and distinct design unique in its kind. It is time for our name to be no longer connected with "Reproductions". Not to deny our past or what we have been: the historical and human value that belongs to us is always essential. This is our way to acknowledge our changes: we are different we are better we are ready to reach for new challenges and new achievements.

TODAY WE HAVE COMPLETED OUR WONDERFUL JOURNEY. WE DO NOT ONLY REPRODUCE WE DO NOT ONLY REINTERPRET WE DO NOT ONLY REVISIT NOW IS THE TIME WHEN WE START CREATING.
