## L40 Sled Desk

Family **SLED**

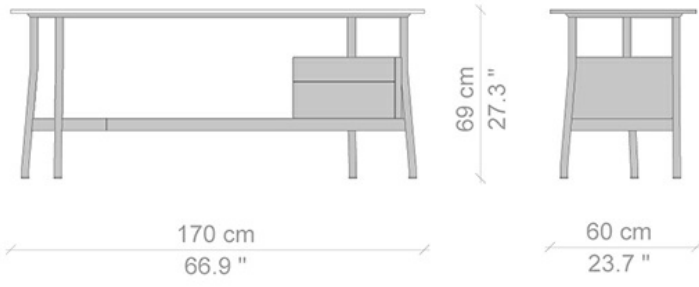

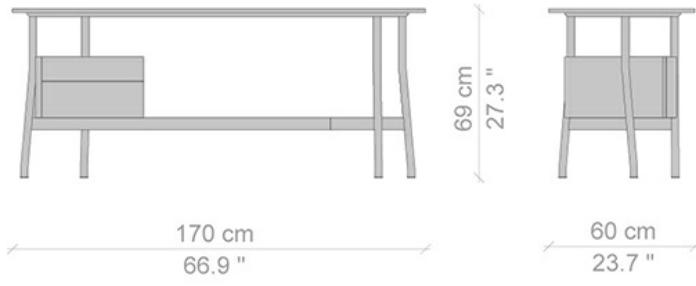

Year of production **2012**

The Sled desk, designed by Rodolfo Dordoni, has a versatile personality, which makes it suitable for both the bedroom and the living area of the house, in combination with other furniture from the Cassina collection. The structure is available with a left or right shaped top in black stained oak and a matt black lacquered two-drawer chest with a black stained oak top, which can also be positioned on the left or right. The drawer is equipped with internal tray.

## Designer

**Rodolfo Dordoni**

Born in 1954, member of the Milanese tradition that generated designers such as Castiglioni, Zanuso, Magistretti and de Lucchi, graduated in architecture at the Politecnico of Milan in 1979. Since then, he has designed for most of the leading names in the furniture and lighting sectors. For some of these, as head of design, he sets and co-ordinates the strategy of the product. Since years, he worked as a designer and a consultant for high level brands, for product design with Artemide and Moroso, and for shops, showrooms and exhibitions with Panasonic and Dolce & Gabbana. He also designs housing projects, villas, industrial buildings, restaurants and hotels both in Italy and worldwide.

In 2005 he founded, with Alessandro Acerbi and Luca Zaniboni, the Dordoni Architects Studio, which is dedicated specifically to architectural planning and interior design.
