IT

Mint, progettato per una rilassante attesa negli aeroporti, hall di Hotel, imprese e tutte le aree pubbliche è un mobile imbottito variabile, flessibile e può essere combinato in varie forme. La sua vasta gamma di rivestimenti in vari colori e cuciture, permettono molteplici creazioni in combinazione con il pouf a elemento singolo o il tavolino dove è possibile lavorare comodamente.

EN

Mint, designed to increase relaxation while waiting in airports, hotels, company lobbies and any other public areas. This versatile and flexible upholstery series can be arranged in many different shapes. A wide selection of upholstery options, different colours, stitchings and steppings further guarantee a multitude of design options. In combination with the stool as a single element or the side-table it also allows for the creation of a productive workspace.

DE

Mint, designet für ein entspanntes Warten in Flughäfen, Hotel- und Firmenlobbies und allen anderen öffentlich Bereichen. Das gepolsterte Sitzmöbel ist sehr variabel und flexibel einsetzbar und kann zu verschiedenen Formen, auch auf Maß, kombiniert werden. Variantenreiche Polstermöglichkeiten in verschiedenen Farben, Nähten und Steppungen lassen eine Vielzahl an Gestaltungsmöglichkeiten zu. Kombiniert mit dem Hocker als Einzelelement oder dem Beistelltisch ist auch ein produktives Arbeiten möglich.
